

HDCRA is an Albuquerque based non-profit organization whose mission is to provide shelter, medical care (including spray/neuter procedures and testing for FIV and feline leukemia), and safe and loving homes for sick, abandoned, and otherwise neglected cats and kittens. All cats are current with age appropriate vaccinations and are microchipped.

All of our animals live in foster homes, not cages. High Desert foster parents provide temporary homes, food, and love and administer any medications as directed by our vets. They also prepare the cats for weekly adoption clinics.

Volunteers at HDCRA do not receive any compensation - our rescue is 100% powered by volunteer labor, and 100% of all donations and funds go to help animals. Moreover, local veterinarians provide medicine and services at cost, and a local pet store donates space for us to operate our adoption clinics.

HDCRA holds adoption clinics at PetSmart at 10248 Coors Bypass NW just north of Cottonwood Mall from 11:00 am till 4:00 pm every Saturday.

High Desert is a 501©3 tax-exempt non-profit organization. All donations are tax deductible.
