To complete the process, an anti-shedding solution is applied. **I want the SHED free service for my pet. (Initials)** _____

SHED free treatments should be scheduled every four to six weeks as a maintenance program. Your pet’s hair will grow, just like ours, and unless maintained, shedding will resume. Please feel free to ask for more information on any of our services!

DEMAT – I am aware that if my pet is matted, CANINE COUNTRY CLUB/FELINE INN may deem it necessary to shave or demat my pet, and that this may incur a demat charge of **\$5.00 for each 15 minute period the groomer spends in dematting my pet**; and that these procedures can include consequences such as clipper burn, brush burn, or nicks and cuts. CANINE COUNTRY CLUB/FELINE INN will use all precautions during these procedures to minimize any possible side effects.

FLEAS & TICKS – I am aware that if my pet is found to have fleas and/or ticks that CANINE COUNTRY CLUB/FELINE INN will treat my pet as they deem necessary and that due to the nature of the insecticides used, there may be side effects for which CANINE COUNTRY CLUB/FELINE INN cannot be held responsible.
